

Mustang mania

Face it, you're chompin' at the bit to grab the reigns and gun the gas.

If it's any consolation, you're experiencing what more than 8 million buyers have felt since Mustang first kicked loose. It set the '60s a-swingin'. It's inspired fan clubs on 6 continents. It's starred in over 600 motion pictures. It's in the winner's circle at the track and on the strip. And it helped drive the Firebird to extinction.

What's it all mean? *Mustang is America's pony car, and Mustang owners have way more fun!*

Takes no prisoners

Every Mustang GT arms you with the award-winning 4.6L 3-valve V8, serving up a potent 300 hp and a street-scorchin' 320 lb.-ft. of torque; more to the point, 0-60 in 4.9 secs.* The 4.0L V6 dishes out a rousing 210 hp and 240 lb.-ft. of low-end torque. These powerplants are more than 50% cleaner** than the last generation, along with being pretty darned fuel efficient – getting 25 mpg[†] with the V8, and achieving 28 mpg[†] with the V6. Both offer up a short-throw 5-speed manual as finger food; a 5-speed automatic trans is optional.

“For the second consecutive year, no auto maker provides a more power-packed V8 at a more accessible price than Ford’s brilliant 4.6L SOHC V8.”

– *Ward’s 10 Best Engines 2006* (2007 marks the 75th anniversary of the world’s first mass-produced V8 – Ford innovation at its best)

Kicks asphalt The Mustang FR500C race car is purpose-built from the Mustang GT, sharing about 80% of its stock underpinnings and architecture; even the racer’s 5.0L Cammer engine is a derivative of the GT’s V8.

**Road & Track*, April 2005. **The fleet average of the current Mustang is certified to produce 56% less ozone-forming pollutants than the previous generation.
[†]EPA-estimated fuel economy highway with manual transmission.

Beauty is 'Stang deep

The open-air Mustang has reclaimed its rightful “America’s best-selling convertible” crown. From the word go, Mustang was engineered to convey true solidity with the top down. Every model incorporates an ultra-rigid chassis structure – joints and rocker panels on the convertible are as rigid as those on the coupe for a remarkably smooth, quiet ride. The Z-fold design of Mustang’s all-weather ragtop is low profile, with 3-layer construction, featuring a waterproofed outside layer, a sound-deadened middle layer, and an eye-candied inside layer. And something new this time around: The soft top comes optionally in Black cloth too.

Coupe & Convertible

Slam The brakes: On GT, 4-channel ABS enhances the dual-piston aluminum calipers with 12.4" ventilated rotors up front, and single-piston calipers with 11.8" rotors in back.

Slalom The MacPherson strut front suspension is a coil-over-strut setup, with precisely tuned shock valving and exceptionally strong reverse “L” lower control arms; the 3-link, solid-axle rear suspension is fortified additionally with outboard-mounted shocks and a Panhard rod. *Inspired underpinnings*, inherent to both the Mustang GT and V6.

Snarl That signature V8 growl announcing Mustang GT’s presence was perfected in the Ford listening lab, where specialists in sound created an “aural DNA” of the engine. V8 thunder is channeled through mandrel-bent, 2.5" dual-exhaust pipes

GT: wilder the better

CALIFORNIA *Special*

This mod version pays tribute to the original West Coast wild thing – the '68 GT California Special (GT/CS) that's become a collector's classic. Today's new, exclusive-to-GT option is available in limited edition nationwide. Its front fascia flaunts a prominent air intake, and a chin spoiler that's a good 1.5" lower than Mustang GT's usual one. There's a slick pair of side scoops, mid-body GT/CS tape stripes, plus 18" polished-aluminum wheels. The rear fascia houses a racing-inspired diffuser, and the exhaust brandishes bright, rolled tips. Inside, Dark Charcoal leather-trimmed seats (at right) are uniquely contrasted with Dove or Parchment leather inserts. *Let Mustang GT/CS happen to you!*

GT Appearance Package Another new option on the Mustang GT scene. Be seen with a brawny hood scoop, bright exhaust tips, and an engine cover emblazoned with the pony emblem. Make your California Special even more so: add the GT Appearance Package (as pictured above).

Mustang Performance Packs from Ford Racing

Now, from the team at Ford Racing, come no-frills, performance-minded packages inspired by the Grand-Am Cup Series Champion Mustang FR500C. They're street legal and they provide more of what Mustang enthusiasts look for: increased power, quicker acceleration and improved handling. Park it at www.fordracingparts.com for details, including warranty info.

Unless expressly specified to the contrary, Ford Racing Performance Parts and vehicles are sold "as is," "with all faults," "as they stand," and without any express warranty whatsoever. To the fullest extent allowed by state and federal law, Ford Motor Company expressly disclaims the implied warranties of merchantability and of fitness for a particular purpose, even if a particular purpose is mentioned herein. The entire risk as to the performance of these parts is with the buyer. Please see website at www.fordracingparts.com for complete details. You may have legal rights which vary from state to state.

2007 MUSTANG

Ditto for the V6

V6 Pony Package Answer the call of the Mustang V6 with this wildly popular option. A speeding Pony and piercing fog lamps are corralled in a chrome bezel on the grille. Tri-bar Pony emblems are stationed on each front fender and the center caps of the 17" painted-aluminum wheels – with machined-aluminum rims and Z-branded tires. Rocker stripes repeat the "MUSTANG" message etched in chrome on the front floor mats. Rounding things out is a unique, laid-back V6 spoiler.

Exterior Sport Appearance Package This Mustang V6 option (pictured directly above) increases the *wow* factor. A sport tape stripe on the lower rockers and a seductive spoiler on the decklid do the eye-catchin' trick.

Mustang V6 Medium Parchment cloth
Shown here – blended with the optional Interior Upgrade Package.

So sinful

Yeah, it's one helluva muscle car, done up in one heckuva quality way. Air conditioning, power locks with remote keyless illuminated entry, power windows with driver and front-passenger one-touch-up/-down, power sideview mirrors, a pair of power points, an audio input jack, a Tire Pressure Monitoring System, cruise control, and a glass rear window on the power up/down convertible top (should you choose to go vert) are all standard.

So safe too. Not only is Mustang America's best-selling sports car, it's even earned the government's highest frontal crash test rating* – 5 Stars for both the driver and front passenger – based on evaluations by the National Highway Traffic Safety Administration (NHTSA).

An amazin' 125 hues Make your Mustang a horse of a different color, *as you wish*. MyColor™ lighting – part of the Interior Upgrade Package option – lets you control instrument cluster illumination.

Awesome audio An audio input jack (located in the center console) enables you to plug in your portable digital player to pump out your personal sound stash through Mustang's killer speaker system.

*Mustang coupe.
Shown at top: Optional Premier Interior Trim Package – Dark Charcoal interior with Chamois seats.

GT/V6 MODEL HIGHLIGHTS

Each series includes the standard equipment of the previous series, except where additions/exceptions are noted.

Mustang Club Center

Obtain specifics on Mustang clubs and track special events through this convenient, one-stop resource – a Club List allows you to search for details by state, and an Event Calendar hooks you up with activities nationwide. *Get going to the Mustang Club Center now:* Head over to www.fordvehicles.com, select the Mustang home page, hit the "View All News & Events" bar, then scroll down and click the "Mustang Clubs Website."

THE 5 YEAR/60,000 MILE POWERTRAIN WARRANTY

New Vehicle Limited Warranty
We want your Ford Mustang ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: There's now a 5-year/60,000-mile powertrain limited warranty that's fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage – on select components, including the engine and transmission – beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Plus, Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details, or check us out at www.fordcredit.com.

Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at www.fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

For a purchase or lease, the Ford **Extended Service Plan (ESP)** gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Ford Accessories are designed and engineered specifically for Ford vehicles. Visit our www.fordaccessoriesstore.com website at www.fordaccessoriesstore.com to use the Accessorizer, and to learn about complete accessory details and purchase instructions.
