

Valve Spring Strength

Special Tool(s)

 <p>ST1278-A</p>	<p>Pressure Gauge, Valve/Clutch Spring 303-006 (TOOL-6513-DD) or equivalent</p>
---	---

NOTE: Refer to the appropriate Section 303-01 for the specification.

1. Use the Valve/Clutch Spring Pressure Gauge to check the valve spring for correct strength at the specified valve spring length.
